Key Insights

- Asia–Image: Highest Conversion Rate (65.8%) with the lowest CPA (9.64).
- North America–Carousel: Highest ROAS (12.01), indicating the strongest return on ad spend.
- Video content consistently achieved >53% Conversion Rate across multiple regions.
- Africa–Text: Lowest ROAS (6.19) and highest CPA (15.73), indicating poor campaign efficiency.
- Performance varies by Region–Content combination, highlighting the importance of targeted optimization.

Conversion Rate by Content_Type

Region	Content_Type	ROAS	CPA	CTR	Conversion Rate
Asia	Image	11.70	9.64	22.9%	65.8%
South America	Video	12.02	10.12	17.1%	54.0%
North America	Video	11.47	10.43	17.5%	53.9%
North America	Carousel	12.01	10.57	18.3%	55.7%
Europe	Video	10.85	10.59	18.5%	53.8%

Business Recommendations

- Scale Asia–Image campaigns to maximize marketing efficiency.
- Increase investment in North America–Carousel campaigns after validating performance.
- Expand the use of Video creatives across high-performing regions.
- Optimize Africa–Text campaigns through audience and creative improvements.
- Prioritize budget decisions based on Region–Content performance rather than region alone.
